

# Indian Conference on Life Cycle Management (ILCM) 2018

4-5 Oct 2018

## About ILCM 2018

**I**LCM has established itself as one of the most sought-after events in South Asia, it brings together Indian and International LCA community, stakeholders including government, industry, academia, to explore the applicability of Life Cycle Thinking (LCT) in enabling transition towards a truly sustainable economy. The underlying focus is to enable capacity building, networking and peer to peer learning.

The seventh edition of ILCM will focus on the significance of Life Cycle knowledge to help classify/identify innovative/applied sustainability content. This edition will have a unique format of delivery, one-day conference deliberations followed by knowledge-sharing sessions/site visits and B2B meetings.

## Who Should Attend?

Policy makers and influencers, Business leaders and managers, Consultants and trainers, Academicians and researchers, Multilateral agencies, and NGOs interested in applying Life Cycle Knowledge to enhance sustainability outcomes.

## Why Attend?

- Access ILCM's global network to engage with scientific community and sustainability leaders
- Learn to set and manage science-based goals using the power of Life Cycle Thinking
- Stand out as a leader in demonstrating commitment to UN Sustainable Development Goals
- Establish new and lasting collaborations with potential clients and partners
- Gain cutting edge knowledge on methodology and good practices in LCA space
- Network with stakeholders and decision-makers actively implementing Life Cycle approaches

## Thematic Areas

The two-day conference will focus on the following key areas:

1. Harnessing the power of Life Cycle Knowledge for addressing Sustainability Challenges
2. LCM based strategy for resource-use efficiency in the Indian economy and industry
3. Greening the Building and Construction sector: Using LCA and EPD

## Call for Abstracts and Special Sessions

We invite your abstracts and proposals for special sessions on the thematic areas.

## Partnership Opportunities

Widely recognized as one of the best conferences on LCA/M in the region, ILCM is regularly attended by over 100 delegates from India and overseas. For an empowered access and enhanced branding/visibility among global sustainability leaders and key stakeholders, we invite you to sponsor ILCM 2018.

# ILCM Journey 2012-2017

## About ILCM Series

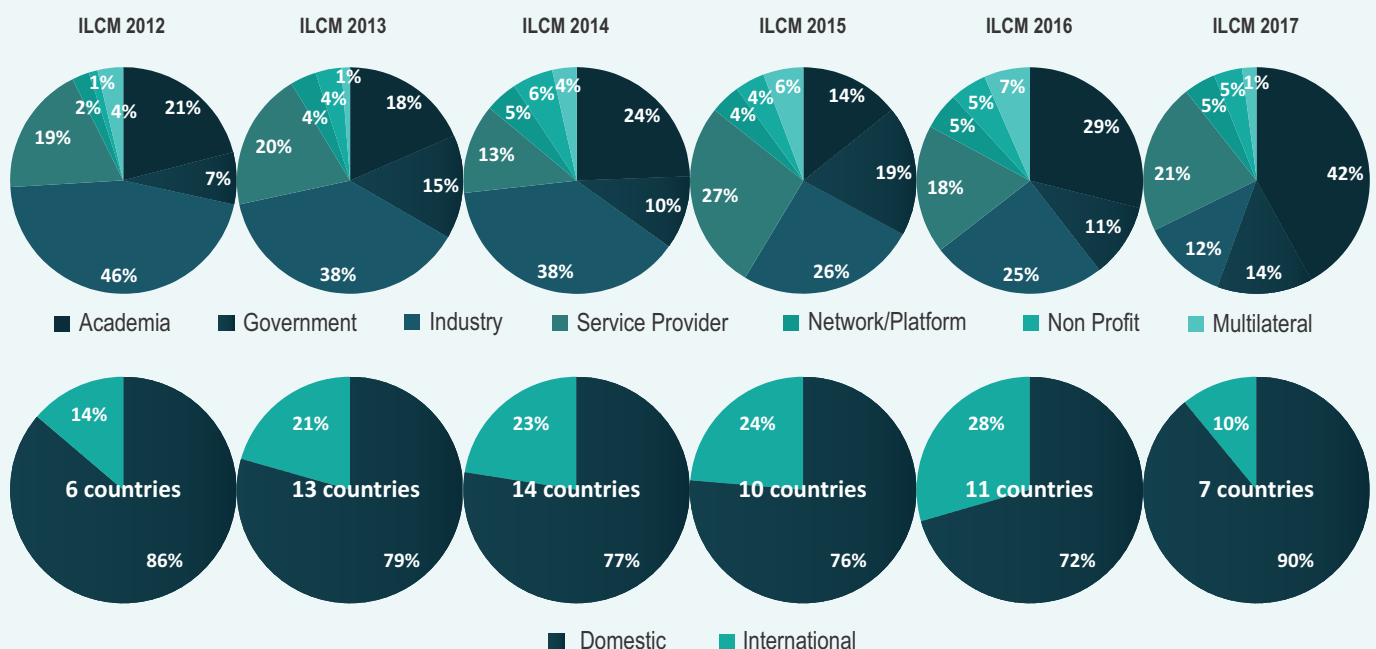

ILCM is the exclusive Indian event on LCA/M where Indian and global Life Cycle communities congregate every year. It has played a pioneering role in developing India LCA Alliance (ILCAA), the national LCA network operated by FICCI. ILCM conferences provide a unique platform for staying connected with latest developments in LCA/M space as relevant for the Indian context.

ILCM conference series has been endorsed by the Government of India through the Ministry of Environment, Forests & Climate Change, Department of Science & Technology, Department of Public Enterprises, and Bureau of Indian Standards. It is also fully integrated with global developments through association with the Life Cycle Initiative hosted by UN Environment.
